Re: **Warner v. New York Society for the Relief of the Ruptured and Crippled,  
Maintaining the Hospital for Special Surgery** (No: 1:22-cv-10400-JGLC)

Dear Judge Clarke:

Our firm represents Plaintiff Robin Warner in this matter. On January 16, 2024, the Court ordered Plaintiff's case be dismissed without prejudice "with the right to reopen the action within 30 days of this Order if the settlement is not consummated." (ECF No. 36). Plaintiff respectfully files this application to reopen her case, as the parties continue to negotiate several remaining terms.

The parties continue to diligently work towards resolution and had a productive settlement conference with Magistrate Stewart D. Aaron on December 08, 2023. (ECF No. 35). The parties will continue these efforts simultaneous to litigating the suit.

Thank you for your consideration of this matter.

In order to allow the parties to continue negotiating the remaining terms, the deadline for any applications to reopen the case, *see* ECF No. 36, is hereby extended to **February 29, 2024**.

SO ORDERED.

JESSICA G. L. CLARKE  
United States District Judge
